An aerial photograph of a vast, misty landscape. In the foreground, a wooden walkway made of logs stretches across a field of tall grass and scattered trees. A person with a backpack is walking on the path. The middle ground features several small, irregularly shaped ponds or lakes, some of which are partially obscured by a thick layer of white mist. The background shows a dense line of trees under a pale, overcast sky.

enter e-estonia

the coolest digital society

essential

clear and honest principles

- + citizen-centric
- + public-private partnership
- + internet access for everybody
- + all individuals own their personal data
